**DECLARATION OF  
Brett Fooks**

I, **Brett Fooks**, declare as follows:

1. I am presently employed by the California Energy Commission in the Siting, Transmission, and Environmental Protection Division as a **Mechanical Engineer**.
2. A copy of my professional qualifications and my experience is provided in the Final Staff Assessment and incorporated by reference herein.
3. I prepared the staff testimony contained in Energy Commission Staff's Opening Testimony submitted in the Stanton Reliability Center Application for Certification proceeding based on my independent analysis of the Application for Certification and supplements thereto, data from reliable documents and sources, and my professional experience and knowledge. I attest to the accuracy of this testimony, and support its conclusions, finding and recommendations hereto.
4. It is my professional opinion that the prepared testimony is valid and accurate with respect to the issues addressed therein.
5. I am personally familiar with the facts and conclusions related in the testimony, and if called as a witness could testify competently thereto.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
