- On Excel forms submitted with prospectively confidential data, identification of specific cells using yellow fills that are consistent with the confidentiality application.

All cells containing information identified above (Question 2) have been highlighted in yellow.

- A clear description of the period for which confidentiality is being sought for each information category (for example, until December 31, 2017).

Any and all information pertaining to Anaheim’s planned future renewable purchases and REC open positions must remain confidential until the procurement time period has passed, i.e. December 31, 2030.

- An appropriate justification for each confidential data category request, including applicable provisions of the California Public Records Act (Government Code Section 6250 et seq.) and/or other laws.

In addition to California Government Code Section 6255, California Code of Regulations, Title 20 section 2505(b) Governmental Entities states, "When another federal, state, regional, or local agency or state-created private entity, such as the California Independent System Operator, possesses information pertinent to the responsibilities of the Commission that has been designated by that agency as confidential under the Public Records Act, or the Freedom of Information Act, the Commission, the Executive Director, or the Chief Counsel may request, and the agency shall submit the information to the Commission without an application for confidential designation. The Commission shall designate this information "confidential".

6. A statement attesting that a) the specific records to be withheld from public disclosure are exempt under provisions of the Government Code or b) the public interest in nondisclosure of these particular facts clearly outweighs the public interest in disclosure.

a. As indicated in Paragraph 5 above, the specific records to be withheld from public disclosure are exempt under provisions of the California Government Code Section 6255 and California Code of Regulations, Title 20 section 2505(b).

b. The lines in the CRAT, EBT and RPT tables identified above in Paragraph 2 contain specific information regarding planned future renewable procurement and REC open positions. The disclosure of such information will negatively impact Anaheim's ability to effectively and competitively negotiate renewable contracts and to protect ratepayer interests.

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge. I also certify that I am authorized to make the application and certification on behalf of City of Anaheim, which is a charter city and municipal corporation.
