Subject: Availability the Conditions of Certification in Word Processing format

On September 3, 2014, the Presiding Member's Proposed Decision was published. Appendix "A" to that document contains all of the Conditions of Certification for the Huntington Beach Energy Project.

At the Committee Conference on the Presiding Member's Proposed Decision, it would be helpful if any changes to the Conditions of Certification were presented in "redline" format.

If you would like to receive a copy of the Conditions of Certification in word processing format, please e-mail me: susan.cochran@energy.ca.gov.

Thank you.
