NOTICE OF RECEIPT
REQUEST TO TRANSFER OWNERSHIP
for the
SEGS VIII Project (88-AFC-1C)

On May 30, 2018, Luz Partners Ltd., VIII, filed a petition with the California Energy Commission (Energy Commission) requesting to transfer ownership for the SEGS VIII Project from Luz Partners Ltd., VIII, to Terra-Gen, LLC. The 80-megawatt facility was certified by the Energy Commission in its Decision on March 29, 1989, and began commercial operation in December, 1989. The facility is located near Hinkley in San Bernardino County, California.

The request would transfer responsibility for compliance with Conditions of Certification to Terra-Gen Operating Company II, LLC (Terra-Gen Operator). A statement describing the change in ownership, signed under penalty of perjury by a representative of Terra-Gen Operator, was submitted as required by Title 20, California Code of Regulations, section 1769(b). The statement affirms that the new owner agrees to be bound by the requirements of the Energy Commission's Decision for the project and understands the obligations imposed by the Conditions of Certification. The Energy Commission may approve changes of ownership after a 14-day public notice.

The Petition requesting the transfer of ownership is available on the Energy Commission's webpage for this facility at http://www.energy.ca.gov/sitingcases/pre1999_page/index.php?xkm=ajdkha2385duhkasd164dsasjd5598fhajkhs.
