**VANTAGE DATA CENTER'S
COMMENTS ON THE IS/MND AND
RESPONSE TO COMMITTEE
MEMORANDUM DATED JULY 5, 2018**

In accordance with the Committee Memorandum of July 5, 2018 Vantage Data Centers (Vantage) informs CEC Staff and the Committee that it has reviewed the Initial Study/Mitigated Negative Declaration (IS/MD) and agrees with its findings and conclusions, including Staff's proposed modifications and new cultural resources-related mitigation measures. Vantage understands that the modified and new cultural resources-related mitigation measures would be implemented by the City of Santa Clara after the Commission makes a decision on whether to grant or approve the Small Power Plant Exemption (SPPE) and the City of Santa Clara incorporates them into the City's subsequent approval documents.
