STATE OF CALIFORNIA

Energy Resources  
Conservation and Development Commission

In the Matter of:

Application for Certification for the  
**OAKLEY GENERATING STATION**

**DOCKET NO: 09-AFC-4C**

**REQUEST FOR LICENSE  
TERMINATION**

---

Contra Costa Generation Company, LLC, (CCGS) the owner of the California Energy Commission (Commission) License for the Oakley Generation Station (OGS), hereby requests the Commission terminate the OGS License.

CCGS has filed a Closure Plan with the Commission Staff. Because the OGS was not constructed the Closure Plan proposes no closure activities. Upon approval of the Closure Plan, CCGS requests termination of the OGS License.

I am authorized, as counsel to CCGS, to file this Request for License Termination

Dated: July 24, 2018
