## **Fpip grant program**

Iâ€™m interested in partnering up with a food production facility that has expressed interests in participating in program but am unable to find the list of such facilities anywhere on your site. We were told at the preapplication workshop that it would be forthcoming. With less than 3 weeks left to apply for this program, when do you anticipate posting the list? Also I have posted questions to you using this format weeks ago and have still not heard back or been able to find your response?
