

REPORT OF CONSERVATION

December 15, 2009

San Joaquin Solar 1 & 2 **08-AFC-12**

SUBJECT: CITY OF CLOVIS LANDFILL

(575)769-7852

DOCKET	
08-AFC-12	
DATE	<u>DEC 15 2009</u>
RECD.	<u>DEC 18 2009</u>

Ellie Townsend-Hough, Commission staff, contacted the City of Clovis Landfill to discuss if the landfill had enough remaining capacity to accept 50,000 tons per year of agricultural fly ash. The plant operator informed staff that the landfill was a regional landfill that would accept the waste, there was enough capacity to accept 50,000 tons per year of fly ash. The operator informed staff that the landfill would be opening another landfill cell in the near future.
