Subject: **CLOSING ARGUMENT/FINAL STATEMENT**

At the Prehearing Conference and Evidentiary Hearing on August 30, 2018¹, the Committee indicated that it did not believe that it required any briefing on the issues presented. However, the Committee did invite the parties to submit a final statement or closing argument “within a week from today.”

On September 7, 2018, the Hearing Officer received the attached email from Robert Sarvey, who had represented Intervenor Helping Hnad Tools at the Prehearing Conference and Evidentiary Hearing. In that email, Mr. Sarvey inquired about the deadline for a closing argument/final statement.

Given the apparent confusion, the Committee will accept closing arguments/final statements from any person wishing to provide such. These documents shall be filed no later than 5:00 p.m. on Monday, September 10, 2018.

The parties shall file such documents in the docket. Public agencies and members of the public are also welcome to submit comments via:

- the Energy Commission e-commenting system, which can be found at <https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=17-SPPE-01>
- e-mail, send to docket@energy.ca.gov
- U.S. Mail, send to:

Subject: McLaren Data Center Comments

Dear Ms. Cochran,

At the McLaren Data Center hearing last week you asked the parties to provide further comments but you set no date for those comments. Can you tell me what the deadline is for submitting those comments is? For obvious reasons we should all submit our comments on the same day. Thank you

Bob Sarvey 2HT
