INSTRUCTIONS FOR REQUESTING RECORDS (California Public Records Act, Govt. Code Sections 6250-6276.48)

1. In order to expedite your request, requests for records should be in writing. Requests will be processed in the order in which they are received. A Public Records Request Form can be faxed to you by calling (909) 396-3700 and following the menu options. A form is also available on the A.Q.M.D.'s web page at <http://www.aqmd.gov>. Select the "Contact Us" menu, followed by the "Public Records" menu. Requests may be submitted by facsimile to (909) 396-3330, or by email to PublicRecordsRequests@aqmd.gov.
2. Requests must be for records prepared, owned, used, or retained by the District (Gov. Code Sec. 6252(e)). Requests should be for clearly identifiable records. If necessary, the District will assist the requestor in making a request that describes reasonably identifiable records (Gov. Code Sec. 6253.1). Copies will not be provided if disclosure would infringe upon a copyright, trade secret, or is otherwise exempt in accordance with state law.
3. A search for facility records can only be conducted by one or all of the following:
 - Facility Name, Address, or Identification Number;
 - Facility Application Number, or Permit to Operate Number; or
 - Facility Notice of Violation/Notice to Comply Number.
4. You will be notified by mail within ten (10) days whether your request seeks copies of disclosable public records prepared, owned, used, or retained by this agency. In most cases, your request will be completed within 3-4 weeks.
5. If the search for records finds the records voluminous, you will be notified of the approximate number of pages and/or length of time it will take to process your request.
6. If the records you requested have been marked confidential by the source of the record, you will be notified and given the option of continuing with the District's trade secret process.
7. If your request is to review records, rather than receive copies, the District will notify you once the records are gathered, and arrangements will be made for your review.
8. The charge for the direct cost of duplication is as follows: Paper Copies, \$0.15/page each over 10 pages (first 10 pages are free); Copied CD's or Copied Diskettes, no charge; and Copied Audio Tapes, \$5.00 each. When records are requested in electronic format, the requestor shall bear the cost of producing a copy of the record, including the cost to construct the record and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies: (1) the District would be required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals, or (2) the request would require data compilation, extraction, or programming to produce the record. (Gov. Code Sec. 6253.9(b)). The transfer of gathered electronic records onto CD or Diskette typically cost \$10.00 each. An invoice will accompany your records when completed.
9. For further clarification please refer to the California Public Records Act (California Gov. Code Sec. 6250 et seq.) and/or the District's Guidelines for Implementing the California Public Records Act. The Guidelines are available in the lobby of the District Headquarters or on the District's web site at www.aqmd.gov.

If necessary, the District will assist the requestor in making a request that describes reasonably identifiable records (Gov. Code Sec. 6253.1). Copies will not be provided if disclosure would infringe upon a copyright, trade secret, or is otherwise exempt in accordance with state law.

 - Facility Application Number, or Permit to Operate Number; or

5. If the search for records finds the records voluminous, you will be notified of the approximate number of pages and/or length of time it will take to process your request.
6. If the records you requested have been marked confidential by the source of the record, you will be notified and given the option of continuing with the District's trade secret process.
7. If your request is to review records, rather than receive copies, the District will notify you once the records are gathered, and arrangements will be made for your review.
8. The charge for the direct cost of duplication is as follows: Paper Copies, \$0.15/page each over 10 pages (first 10 pages are free); Copied CD's or Copied Diskettes, no charge; and Copied Audio Tapes, \$5.00 each. When records are requested in electronic format, the requestor shall bear the cost of producing a copy of the record, including the cost to construct the record and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies: (1) the District would be required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals, or (2) the request would require data compilation, extraction, or programming to produce the record. (Gov. Code Sec. 6253.9(b)). The transfer of gathered electronic records onto CD or Diskette typically cost \$10.00 each. An invoice will accompany your records when completed.
9. For further clarification please refer to the California Public Records Act (California Gov. INSTRUCTIONS FOR REQUESTING RECORDS **(California Public Records Act, Govt. Code Sections 6250-6276.48)**

1. In order to expedite your request, requests for records should be in writing. Requests will be processed in the order in which they are received. A Public Records Request Form can be faxed to you by calling (909) 396-3700 and following the menu options. A form is also available on the A.Q.M.D.'s web page at <http://www.aqmd.gov>. Select the "Contact Us" menu, followed by the "Public Records" menu. Requests may be submitted by facsimile to (909) 396-3330, or by email to PublicRecordsRequests@aqmd.gov.
2. Requests must be for records prepared, owned, used, or retained by the District (Gov. Code Sec. 6252(e)). Requests should be for clearly identifiable records. If necessary, the District will assist the requestor in making a request that describes reasonably identifiable records (Gov. Code Sec. 6253.1). Copies will not be provided if disclosure would infringe upon a copyright, trade secret, or is otherwise exempt in accordance with state law.
3. A search for facility records can only be conducted by one or all of the following:
 - Facility Name, Address, or Identification Number;
 - Facility Application Number, or Permit to Operate Number; or
 - Facility Notice of Violation/Notice to Comply Number.
4. You will be notified by mail within ten (10) days whether your request seeks copies of disclosable public records prepared, owned, used, or retained by this agency. In most cases, your request will be completed within 3-4 weeks.
5. If the search for records finds the records voluminous, you will be notified of the approximate number of pages and/or length of time it will take to process your request.
6. If the records you requested have been marked confidential by the source of the record, you will be notified and given the option of continuing with the District's trade secret process.
7. If your request is to review records, rather than receive copies, the District will notify you once the records are gathered, and arrangements will be made for your review.
8. The charge for the direct cost of duplication is as follows: Paper Copies, \$0.15/page each over 10 pages (first 10 pages are free); Copied CD's or Copied Diskettes, no charge; and Copied Audio Tapes, \$5.00 each. When records are requested in electronic format, the requestor shall bear the cost of producing a copy of the record, including the cost to construct the record and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies: (1) the District would be required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals, or (2) the request would require data compilation, extraction, or programming to produce the record. (Gov. Code Sec. 6253.9(b)). The transfer of gathered electronic records onto CD or Diskette typically cost \$10.00 each. An invoice will accompany your records when completed.
9. For further clarification please refer to the California Public Records Act (California Gov. Code Sec. 6250 et seq.) and/or the District's Guidelines for Implementing the California Public Records Act. The Guidelines are available in the lobby of the District Headquarters or on the District's web site at www.aqmd.gov.

If you have questions pertaining to the submittal of a Public Records Act request, you may contact the Public Records Unit, (909) 396-3700, Tuesday through Friday, 7:00 a.m. to 5:30 p.m. Our Fax number is (909) 396-3330. Our email address is PublicRecordsRequests@aqmd.gov.

Project No.: 653771.01.03.04 and 491232.AL.DI

Summary: Andrew called Lisa Ramos of the SCAQMD's Public Records Request Office to request an update on the status of the following Public Records Requests:

- #83631, which was originally submitted on October 23, 2015 (AEC Project)
- #84576, which was originally submitted on January 21, 2016 (HBEP Project)
- #84575, which was originally submitted on January 21, 2016 (HBEP Project)
- #84574, which was originally submitted on January 21, 2016 (HBEP Project)
- #84573, which was originally submitted on January 21, 2016 (HBEP Project)
- #84582, which was originally submitted on January 21, 2016 (HBEP Project)
- #84581, which was originally submitted on January 21, 2016 (HBEP Project)
- #84580, which was originally submitted on January 21, 2016 (HBEP Project)
- #84579, which was originally submitted on January 21, 2016 (HBEP Project)

Lisa indicated that for request #83631 she had no new updates on the request. She also clarified that Public Records Requests soliciting "lists" of information take 90+ days to complete because SCAQMD personnel have to obtain information from 2 different departments. For the HBEP requests, she had no new updates on any of the requests, but said the requests should take approximately 30+ days to complete. She did, however, state that she would try to follow-up with the departments to nail down a timeline for delivery of the request information.

As per our conversation requests for Lists are currently taking 90+ days for processing. The other requests had to be routed for the requested records and they are currently taking 30+ days. Please feel free to email us for a status at any time. I put the name of who is handling each of your requests, that way you can email Jacob regarding his request and me mine.

Thanks for your patience.
