**FRESNO COUNTY**

## New Online Hub for Electric Vehicle Charging Offers Rebates, Info, and More...

The Fresno County Incentive Project (FCIP) offers rebates of up to \$7,000 for the purchase and installation of a new level 2 charging station. Join us for an exclusive webinar to get an in-depth overview of this new project with \$4 million in available funding for electric vehicle (EV) charging in Fresno County.

**Tuesday, November 27, 2018**  
**9:30 a.m. – 10:30 a.m. PST**

**Register today!**

**[attendee.gotowebinar.com/register/7350397254502776579](https://attendee.gotowebinar.com/register/7350397254502776579)**

As authorized representatives, EV charging manufacturers and service providers are eligible to apply for FCIP rebates on behalf of a property owner. Register for the webinar to learn more about project specifics and requirements to qualify for substantial rebates on level two installations.

Take advantage of substantial rebates from FCIP which is a part of the California Electric Vehicle Infrastructure Project (CALeVIP). Visit the CALeVIP website to learn more about regional incentives designed to help finance electric vehicle (EV) charging equipment at public locations.
