NOTICE OF RECEIPT

RECEIVED IN DOCKETS

The California Energy Commission has received a petition from the Sacramento Municipal Utility District (SMUD) requesting approval to transfer the SMUDGE0 #1 Geothermal Power Plant license (80-AFC-1C), and the obligations imposed by the conditions of certification, to Calpine Geysers Company, L.P.

Commission Review Procedures

A statement describing the ownership change, signed under penalty of perjury by a representative of the proposed new owner of the project, was submitted to the Energy Commission staff for review and approval as required by Title 20, California Code of Regulations, section 1769(b). The statement affirms that the new owner agrees to be bound by the requirements of the Energy Commission for the SMUDGE0 #1 project.

Based on the information provided, staff intends to recommend that the proposed ownership change be approved by the Energy Commission at the June 24, 1998 business meeting.

If you have any questions, or wish to make comments regarding this ownership change, please contact Ms. Jeri Zene Scott, Compliance Project Manager, at (916) 654-4228, or by e-mail at jscott@energy.state.ca.us, within 10 days of the date of this notice.

For information on how you may participate in this process, please contact Ms. Roberta Mendonca, the Energy Commission's Public Adviser, at (916) 654-4489 or toll free in California at (800) 822-6228. If you require special accommodations, contact Robert Sifuentes, at (916) 654-5004. News media inquiries should be directed to Assistant Executive Director, Claudia Chandler, at (916) 654-4989.

If you would like to receive a copy of SMUD's request or the Energy Commission's order if this change is approved, please complete the enclosed Information Request Form and return it to the address shown.
