Comment period extended for the 2018 California Energy Demand Forecast Update

On Thursday, December 6, 2018, the California Energy Commission conducted a workshop to propose and discuss updates to the *2017 Integrated Energy Policy Report* energy demand forecast. Energy Commission staff presented its updated baseline forecasts of electricity consumption, electricity sales, and hourly and peak demand for 2018-2030.

The workshop notice requested that written comments be submitted by Thursday, December 20, 2018. **The Energy Commission is extending the due date for written comments to Friday, December 28, 2018.**

The workshop notice, which provides information on how to submit comments, is available [here](#) under Notice of Workshop.
