2018 IEPR Update

I'm pleased with CEC on its final 2018 Integrated Energy Policy Report Update and the focus on the electrification of buildings.

I see electrification as the most viable path to zero-emission buildings.

I urge the Commission to pursue the electrification goals in the IEPR in a manner that expediently accelerates the electrification market while prioritizing California's most vulnerable and disadvantaged communities.

In sum, I am happy with the Final 2018 IEPR Update and request that no changes be made to the report. Thank you.

Sincerely,
Monica Ventrice
