## **Looking for interest in new ideas for fuel cells and firefighting**

Hello, Looking for people interested in helping to develop Mr. Balakiryian's newest ideas in two areas, hydrogen energy, and fighting wildfires.

I am not seeing where these fit exactly into your current offerings.

Please view the two press releases to get a brief understanding of these ideas, and let us know if either of these fit with the interest of California, or who you know who may have such interest.

Utilizing 18 electrons from water with fuel cells...
