SUBJECT: **Response to Corrections and Clarifications on King City Cogeneration (85-AFC-05C) Staff Analysis of Petition for Modification to Remove Engineering Condition of Certification-1**

On March 20, 2019, on behalf of Calpine King City CoGen, LLC (Calpine), Ellison Schneider Harris & Donlan LLP, docketed minor corrections (TN 227364) to the introduction and project location/description sections of the Staff Analysis for Petition for Modification to Remove Engineering Condition of Certification-1 (TN 227290). Calpine provided correct information on the steam host and removed information pertaining to the wastewater discharge by the facility.

Staff acknowledge the receipt of this information and agrees with the minor corrections to the Staff Analysis. Staff determined that submitted corrections do not alter the conclusions of the Staff Analysis.
