Subject: City of Burbank 2019 Integrated Resource Plan per Senate Bill 350.

Dear CEC staff,

Please accept the enclosed documents as the City of Burbank's 2019 Integrated Resource Plan developed to fulfill Burbank's statutory requirement under Senate Bill 350.

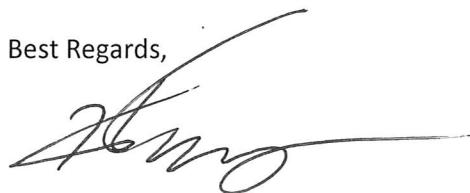

Burbank Water and Power developed its 2019 IRP with the help of Ascend Analytics LLC, which performed the detailed analytical work for the IRP and Schulte Associates LLC who provided expert guidance and coordinated the work between in-house experts and the consulting team at Ascend Analytics.

This IRP was adopted by Burbank's City Council on December 11, 2018. A video of the presentation and Council action can be found at:

The submitted tables have been updated from those found in the IRP in Appendix 3 because of errors identified after the fact. The corrections do not affect the outcome of the IRP and are not material to the outcomes identified in the document.

Best Regards,
