Reference Docket Number: 18-AAER-05, Commercial and Industrial Air Compressors

Gardner Denver Inc is a USA based manufacturer of industrial air compressors. We would like to respectfully submit to the Board our agreement with the request initiated by Atlas Copco in its petition to amend the rulemaking as outlined in its filing. We are fully supportive of that petition and believe the proposed amendment will enhance the regulatory mission being taken by the California Energy Commission. The proposed amendment will provide much needed clarification to prior rulings.

Sincerely,

**Gary Gillespie**
