California Energy Commission Meeting Schedule: IEPR Staff Workshop for the Electric Vehicle Charging Infrastructure Assessment (AB 2127)

Thursday, May 2, 2019 – 1:30 p.m.
California Energy Commission
1516 Ninth Street
First Floor, Art Rosenfeld Hearing Room
Sacramento, CA 95814
Wheelchair Accessible
(Listed times are general guidelines only.)

Overview: California Energy Commission staff will conduct the second AB 2127 workshop to overview the electric vehicle charging infrastructure assessment process and receive stakeholder input. This half-day workshop will focus on the off-road, ports, and airports sectors and will complete the introductory discussions of vehicle categories listed in AB 2127. Staff from the Energy Commission, Air Resources Board, and regional air quality management districts will discuss definitions, regulatory requirements, and charging infrastructure for these sectors to assist in organizing information gathered pursuant to AB 2127, Public Resources Code Section 25229 part (c).

Welcome, Housekeeping, and Introduction to AB 2127 charging assessment (1:30-1:40)

- Noel Crisostomo, California Energy Commission

Definitions and Assessments of Off-Road Transportation Electrification (1:40-2:15)

- Marshall Miller, University of California at Davis
- Questions and Answers

Coordination of Assessment with California Air Resources Board: Regulatory Drivers for Transportation Electrification of Freight and Off-Road Equipment: (2:15-3:30)

- Part I - Mobile Source Strategy - Kathy Jaw
- Part II – Freight Goals, Existing Strategies, and Future Actions – David Quiros
- Part III – Zero-Emission Vehicle and Off-Road Programs – Craig Duehring
- Questions and Answers

Off-Road, Port, and Airport Mitigation Strategies in Non-Attainment Regions: (3:30-4:30)

- Ian MacMillan, South Coast Air Quality Management District
- Chay Thao, San Joaquin Air Pollution Control District
- Questions and Answers

Off-Road, Port, and Airport Charging Infrastructure Investments and Initial Lessons: (4:30-4:45)

- Marc Perry, California Energy Commission
