**Subject: Rice Solar Energy Project – CEC Docket No. 09-AFC-10C
Waiver of Annual Energy Compliance Fee
Period of July 1, 2019 – June 30, 2020**

Mr. Winstead,

As discussed with Vaughan Johnson and Andrew Wang on the April 26th teleconference with the California Energy Commission, and reiterated in subsequent e-mail correspondence, Rice Solar Energy, LLC (RSE) is in the process of terminating CEC license No. 09-AFC-10C which is associated with the Rice Solar Energy Project (RSEP).

As a result of the impending license termination, this letter serves as a formal request to waive the Annual Energy Compliance Fee for the Period of July 1, 2019 to June 30, 2020 in the amount of \$29,434.00. This amount is reflected in Invoice No. 2873, dated May 7, 2019, which is included as **Attachment "A"** for your reference.

Please confirm receipt of this request, and written approval of this waiver request, at your earliest convenience.

Feel free to contact me with any questions or comments. Your continued assistance is greatly appreciated.

Regards,
