Public Comment

We will endeavor to allow each speaker up to 3 minutes, but the time could be reduced to 1 minute in an effort to accommodate as many speakers as possible. If you are attending the meeting in person, please see the Public Adviser to sign up to make public comments. For participants on WebEx, you can use the “raise your hand feature” that WebEx provides if you want to make a comment, and you will be called on during the public comment period. You can also “lower your hand” should you choose to withdraw your comment.

First, the public attending the meeting will have an opportunity to comment. Then, the public participating by WebEx or phone will have an opportunity to comment.

Comments and associated contact information (including address, phone number, email address) will become part of the public record of this proceeding with access available via any Internet search engine.
