My Opposition to the Licensing of AES for New Power Plant in Redondo Beach

Good afternoon Patricia,

I would like to add my voice to those opposing a new power plant in Redondo Beach by asking that AES be denied a license to rebuild in Redondo. The residents of Redondo Beach have lived with the eyesore of the existing AES plant and the pollution both noise and air, that have accompanied it for far too many years. Redondo Beach has served her time as the host for this entity and should be allowed to return the waterfront to a place of beauty that all residents can enjoy and be proud of.

Thank you

Jill Brown

Redondo Beach Resident
