Dear Ms. Martin-Gallardo,

Perhaps you have overlooked GOV 11340.85 (b)(5) and the commission's willingness to receive a petition by means of electronic communication, as Ms. Mathews offered in her email in TN227766.

Perhaps I should give a call of thanks to Mr. Jared Babula? I spoke with Mr. Babula and told him if the commission starts rulemaking for the matter in the petition, I would be happy with that result.

What area of law do you specialize in?

take care,

Steve Uhler

On April 16, former Public Adviser Alana advised you that this was not the appropriate mechanism for filing your Petition with the Executive Director. Ms. Mathews provided you with various options to properly file your Petition with the Executive Director. That same day, Ms. Mathews delivered your Petition to the Executive Director after you indicated that is what you would like to see happen. (See TN# 227766.) Therefore, the date your Petition was filed with the Executive Director is April 16, 2019.

Yesterday, staff posted a Notice of a Pre-Rulemaking Workshop to solicit stakeholder comment on potential amendments to the RPS Enforcement regulations. You can find a link to that Notice here:
