## **Redondo Beach AES Power Plant**

Greetings Patricia:

As a longtime resident of Redondo Beach, I would like to go on record that I oppose a new power plant being built in Redondo Beach. I respectfully ask the CEC to deny the AES application to build the new plant in Redondo Beach. Evidence shows that power is not needed at this site and I want to feel comfortable that I'm not exposing myself to any higher amounts of air pollution than necessary.

Retiring this facility will be a huge opportunity to clean up our air and our waterfront.

Please listen to and respect our rights as citizens who have to live within the same neighborhood as this power plant.

Thanks!

Tim
