AES Power Plant in Redondo Beach

Dear Ms. Kelly,

As a resident of Redondo Beach, I would like to ask you if it is necessary to have the AES power plant here. I believe that it creates pollution and is an eye sore. If it is not necessary for the power grid (and I believe that we should be looking towards more wind and solar power) then it should not be re-certified and should be removed along with the power lines.

Sincerely,
Tom Etsten
