Too Much POLLUTION

100-years ago when this plant was originally built - it made sense. Today - it's just simply a public HEALTH issue, and I don't want my children (let alone my friends & neighbors) EXPOSED TO THE TONS OF HARMFUL EMISSIONS from this plant. The wind simply blows from the ocean - & pushes the POLLUTION all-over the THOUSANDS of residential homes, apartments in Redondo & Hermosa Beach, Torrance and even FURTHER inland. Close it and you WILL BE serving in the PUBLIC INTEREST - not the SHAREHOLDERS' INTEREST...
