## **Support of the AES Redondo Power Plant**

Dear Patricia,

While I am unable to attend the October 1st meeting of the CEC, I wanted to let you know that I support the AES power plant in Redondo Beach. One we need the power (most folks don't think beyond the end of their noses, i.e. what if we had some kind of disaster...) and the property belongs to AES and by God they should be allowed to use it as they see fit. We have had the power plant here all these many, many, many years and we're still alive. So I am in supporting of keeping it and making it better!

Thank you,

Sincerely,  
Shanti D. Friend
