I Support and Want a New Power Plant in Redondo Beach

Dear Ms. Kelly,

I just wanted to register my support for a new power plant in Redondo Beach. I have lived in Redondo for over 18 years, and I love the power plant and the fact that we have our own power plant in our own city. We all use power. We all need it. And having a power plant in my own "backyard" so to speak is to me a very good thing, for our community and for all the people it serves.

Thank you for taking the time to read my letter, and register my support for a new power plant.
