AES Power Plant in Redondo Beach

My name is Ed Jaakola. My wife and I live at 408 N. Broadway, Redondo Beach.

First, I want to say I respect the CEC process.

I believe the downsizing and moderazation of the AES plant will have a positive effect on the community as well as an improvement to the power grid. (We do net need more power blackouts in the South Bay area.)

Should it come to fruition, I would like to see the unused AES property used for retail such as shops, pubs and restrauants.

Thank you.
