Dear Public Advisor Public Advisor,

Please oppose the SMUD staff proposal that will deny thousands of new homeowners and renters the savings and security of rooftop solar and storage, and gut the state "Solar Homes" plan. SMUD's proposal will:

- * Discourage solar from being installed directly on new homes.
- * Make it harder for homeowners to add solar and storage later on.
- * Deny new residents the chance to save hundreds of dollars on their energy bills each year.
- * Deny new residents the ability to keep the lights on during blackouts.

Owners of new homes should have the right to modify/change the homes as they wish. SMUD seems to attempt to take those rights from new home owners.

SMUD seems to be like the serpent in forkllore: Speaks with forked tongue, with truth on one side and lies on the other, sorta mixing enough to sound true.

We need to rally against SMUD to insure our rights in California

Sincerely,
Dan Davidson
