Application for Certification for the
Redondo Beach Energy Project

AES Southland Development, LLC

Docket No. 12-AFC-03

**RESPONSE TO PETITIONS TO INTERVENE FILED BY THE CITY OF REDONDO
BEACH, JAMES A. LIGHT, AND BUILDING A BETTER REDONDO**

AES Southland Development, LLC (the “Applicant”) welcomes participation in this proceeding by local agencies and members of the public. The Applicant does not object to the Petitions for Intervention filed by the City of Redondo Beach and Mr. James A. Light.

The Applicant does request that Mr. Light clarify the Petition in two respects. First, clarification is needed as to the specific entity who is petitioning to intervene. It is not clear from the petition for intervention filed by Mr. Light on October 7, 2013 if the proposed intervenor is: (1) Mr. Light, as an individual, (2) Building a Better Redondo, as an organization represented by Mr. Light, or (3) both Mr. Light and Building a Better Redondo as separate parties, yet both represented by Mr. Light. The Applicant is requesting clarification as there is a potential for confusion from dual participation by one person- for example, whether the opinions or positions expressed are on behalf of the individual or the organization. Second, Section 1207 of the Commission’s regulations requires that the contact information of the petitioner be included in the petition. The Applicant requests that such information be provided.

Dated: October 18, 2013

Respectfully submitted,

ELLISON, SCHNEIDER & HARRIS L.L.P.
