## Northern California – SB 100 Workshop

Friday, October 25, 2019

10:00 a.m.-1:00 p.m.

Redding Electric Utility

Shasta Conference Room

3611 Avtech Parkway, Redding, CA 96002

### Opening Video

*"Leading the Way to California's Clean Energy Future"*

### Welcome and Opening Comments

President Marybel Batjer, *California Public Utilities Commission*

Commissioner Genevieve Shiroma, *California Public Utilities Commission*

Commissioner Andrew McAllister, *California Energy Commission*

### Agency Presentations

*California's Climate Strategy and Carbon Neutrality*, Mary Jane Coombs, California Air Resources Board

- Overview of California's clean energy and climate targets and key policy drivers. Discussion of how SB 100 fits into the state's various climate/energy policies, programs, and reports.

*California Clean Electricity Programs Overview*, Jason Ortego, California Public Utilities Commission

- Status update on California's progress toward transitioning to a clean electricity system, including the IRP process and key programs and policy implementation.

*SB 100 Joint Agency Report Process and Implementation*, Siva Gunda, California Energy Commission

- Outline of SB 100 Report Requirements, interagency process, future workshops and public engagement, and a discussion of key questions for consideration in the SB 100 Report.
  - How should the SB 100 report approach and address system and local reliability? What key factors should be considered?
  - How should issues around equity (environmental, economic, social) and affordability be addressed?
  - How should land use planning issues be considered?
  - Other challenges or considerations?

### Stakeholder Presentations and Q&A

Jana Ganion, *Blue Lake Rancheria*

Dan Beans, *Redding Electric Utility*

Danielle Mills, *American Wind Energy Association California Caucus*

Jim Shetler, *Balancing Area of Northern California*

Delphine Hou, *California Independent System Operator*

### Public Comment

### Commissioner Closing Remarks

President Marybel Batjer, *California Public Utilities Commission*

Commissioner Genevieve Shiroma, *California Public Utilities Commission*

Commissioner Andrew McAllister, *California Energy Commission*
