Docket #: 19-BSTD-08 Project Title: Community Shared System Applications

19-BSTD-08, and SACRAMENTO MUNICIPAL UTILITY DISTRICT (SMUD) APPLICATION TO ADMINISTER A COMMUNITY SHARED SOLAR SYSTEM

Dear Energy Commission Commissioners,

Please consider the costs and commission staffing required to ensure no double counting and to ensure the indifference of SMUD ratepayers who are not involved in SMUD's APPLICATION TO ADMINISTER A COMMUNITY SHARED SOLAR SYSTEM

The attached video "SMUD_renewable_costs_per_customer.mp4" contains SMUD's current General Manager's assessment of ratepayer costs for renewables such as solar power.

Please ensure that the indifference of SMUD ratepayers who are not involved in SMUD's APPLICATION TO ADMINISTER A COMMUNITY SHARED SOLAR SYSTEM is maintained by tracking the costs and ensuring no cost shifting.

Docket unit please maintain the name of the MP4 as "SMUD_renewable_costs_per_customer.mp4", the video title does not match the audio description of the meeting of the SMUD Board on October 16, 2019 and this a clip and not the entire meeting.

thanks,

Steve Uhler
