California Energy Commission,

I strongly urge you not to retreat from this important program, and require solar installations on every new rooftop in California. We flourished with Roof top solar to fuel our electric car and ran our air conditioner as necessary and without guilt, because we had solar panels on our roof.

Sincerely,

Sincerely,  
Linda Elkind

California Energy Commission,

Every new roof without solar is a major missed opportunity to lock in pollution-free solar energy. I strongly urge you not to retreat from this important program, and require solar installations on every new rooftop in California.

Sincerely,  
Ingrid Skei
