Subject: **SCHEDULE FOR ADOPTION OF DECISION**

This email responds to the December 2, 2019, email filed by Applicant noting that the Laurelwood Data Center matter is not included on the agenda for the December 11, 2019 California Energy Commission Business Meeting.¹

The Committee previously indicated that its proposed decision would be issued in November 2019 and addressed by the Energy Commission at the December 11, 2019 Business Meeting.² However, the proposed decision will not be considered at that time as it has yet to be issued.

The Committee will publish a revised schedule.

Also, please note that in addition to filing the above-referenced email on December 2, 2019, Applicant's legal counsel, Jeff Harris, submitted the email directly to me and called Kourtney Vaccaro, advisor to Commissioner Douglas, to ask about status. According to Ms. Vaccaro, she advised Mr. Harris that the Hearing Officer would soon docket information. This memorandum constitutes the information referenced by Ms. Vaccaro.
