**Notice of Availability of San Joaquin Valley Incentive Project (SJVIP)  
Prelaunch Webinar Recording**

*Additional submitted attachment is included below.*

## Webinar Recording Now Available

Starting on December 11, 2019, eligible property owners in Fresno, Kern and San Joaquin counties can apply for incentives toward the installation of Level 2 and DC fast electric vehicle chargers through the CALeVIP San Joaquin Valley Incentive Project.

To prepare for the launch of this new incentive, project implementers from the Center for Sustainable Energy hosted a prelaunch webinar. During the presentation, experts covered details about the incentive project, rebate eligibility and provided a walk-through of the application.
