## **No need for the Power Plant=it has too much negative drawbacks**

Im a Cancer victim/survivor. When I learned that the Power Plant and its lines are a cause of Cancer and other maladies,I'v since done everything to put an end to it. I DONT WANT ANYONE TO EVER SUFFER OR LOOSE A BODY PART AS I HAVE. iTS THE WORST THING I'[VE EVER HAD TO SUFFER THRO. Everyone knows of at least a friend or family who has also suffered. I lost my 32 year old niece to it--leaving a 3 year old baby without a mom. Futhermore we dont need this in our neighborhood. We get lots of energy from other plants up north and the south of us. We have not suffered from a loose being that we only have had a4% engine working all these years. Thanks for helping us stay healthy.
