NO AES Power Plant in Redondo Beach

I respectfully urge you to vote NO on the new AES power plant in Redondo Beach. The air pollution emitted will affect our densely populated area for the next 50 years. I do not want that for myself or local residents. Experts have said overwhelmingly that this new power plant is NOT needed for the overall power grid supply for CA. We don't need the noise or the poor air quality from this power plant. PLEASE DENY THEIR REQUEST FOR THE HEALTH OF OUR RESIDENTS!

Thank You!
