Subject: **SAVE THE DATE:** Status Conference on Wednesday, February 26, 2020, in Santa Clara, California

Please take note that the Committee assigned to conduct proceedings on the Walsh Backup Generating Facility application for a Small Power Plant Exemption (SPPE) intends to conduct a status conference on Wednesday, February 26, 2020 at the Santa Clara Central Park Library, Margie Edinger Community Room, 2635 Homestead Road, Santa Clara, California, 95051, beginning at 12:30 p.m.

The Energy Commission welcomes public participation in its programs and proceedings. In addition to participating in person in Santa Clara, California, the status conference will also be available to attend remotely on WebEx, the Energy Commission's on-line meeting service. Additional information about the status conference, including remote access instructions, will be included in the formal notice of the status conference that will follow shortly.

**NOTE:** A status conference for the Sequoia Backup Generating Facility SPPE (19-SPPE-03) will also take place at the City of Santa Clara Central Park Library on February 26, 2020. Please see the notice that will be issued separately for details about that project and its status conference.
