	Original Request			
	Last night at around 23:00 I was woken by a terrible noise that star was the AES power plant releasing some kind of gas/steam. Are they allowed to do this? This is not the first time it has happene Does the city or RB allow this? Aren't there any rules or regulations get a knock on my door from the police telling me to stop. What is t	d. In fact it has happene to control this? If I start	ed in the past even to make noise at :	later. 11 pm I know that I wi
