In the Matter of:

Application For Small Power Plant
Exemption for the **SEQUOIA BACKUP
GENERATING FACILITY**

DOCKET NO: 19-SPPE-03

**C1-SANTA CLARA, LLC'S STATUS
REPORT**

C1-Santa Clara, LLC (C1) in accordance with the Notice of Committee Conference and Order on Hearings (TN 232042), dated February 14, 2020, hereby files its Status Report in advance of the Status Conference scheduled for February 26, 2020. C1 has received all City Approvals that can be obtained prior to the Commission issuing the Final Decision on the Small Power Plant Exemption. In addition, in accordance with the City issued permits, demolition of the site is complete.

C1 has reviewed Staff's Proposed IS/MND and agrees with the conclusions and measures proposed and is ready and anxious to proceed to evidentiary hearing. The Committee Schedule currently has the PreHearing Conference and Evidentiary Hearings on different days. In order to receive a Final Decision on the SPPE as soon as possible, C1 respectfully requests that the Committee Schedule a joint PreHearing Conference and Evidentiary Hearing as soon as possible. In light of the extensive Final Decision on the Laurelwood Project and the Commission's prior analysis in the Final Decision for the McLaren Project, C1 believes that any issues raised by Mr. Sarvey would be duplicative and not unique to the SBGF.

Therefore, in order to avoid duplicative delays, it is important for C1 to move quickly to and through the evidentiary hearing process. C1 will be ready to discuss schedule at the upcoming Status Conference.
