Suspend Permitting Process

With the recent announcement from AES Redondo and with our mayor's full endorsement to place a zoning initiative on the March 2015 ballot. It would seem that at least there is conflict of interest with our mayor who is also leading our city as an intervener in the permitting process with the CEC. I implore you to stop the permitting process and quit wasting our tax dollars and precious resources. Thank you in advance for your prompt attention to this request.
