Hi Deborah,

Both Peter Witters and Nadia Costa are in previously schedule meetings during the Committee Conference, so attendance by phone/webex is not feasible. We have confirmed that both are available on March 18th after 10 am.

Sorry about the inconvenience of rescheduling.

Thanks,

Hello Jerry,

Thank you for your email. Would Mr. Witters and Ms. Costa be available to participate in the Committee Conference remotely via WebEx? It can be difficult to calendar items for two Commissioners, so if we do need to reschedule we cannot be sure when the new date would be.

Please let me know about the possibility of remote attendance. If that is not possible, I will begin working on a new conference date.

Sincerely,

Hi Deborah and Caryn,

Peter Witters of Microsoft and his legal counsel (Nadia Costa of Millar Starr Regalia) are unavailable to attend the March 4th San José Data Center Committee Conference hearing. We need to reschedule the conference hearing and I will be sending dates they will be available in March (I assume Wednesdays specifically). Sorry for the short notice, but Microsoft was trying to accommodate the schedule meeting if possible.

Thanks,
