BUSMTG-20-02 Please read into the record for agenda item 9 at the March 11, 2020 business meeting

Dear Public Adviser,

Please read into the record for agenda item 9 at the March 11, 2020 business meeting the following.

Business meeting minutes have not been docketed, if you approve the minutes please see that they are docketed pursuant to Title 20 Section 1208 prior to approval.

Perhaps the commission staff have overlooked the filing requirements pursuant to Title 20 Section 1208?

Business meeting agendas have not been docketed.

Business meeting resolutions have not been docketed prior to action being taken and many have not been docket at all. Please see that all documents distributed to the commissioners for all proceedings are docketed. This includes any presentations given at proceedings. Doing so will reduce records requests.

Votes on items taken at the business meeting February 20, 2020 appear to be treated as if they were placed on a consent agenda or calendar without stating such.

Agenda items such as each resolution for 6a, 6b, 6c, 6d, 6e, 6f, 6g, 6h, and 6i as listed below as separate items, may have been voted on as a group.

Title 20 Section 1104(d) defines the use of consent calendars, what defines voting as a group for items not placed on a consent calendar?

How does a member remove a item from the group when not on a consent calendar?

Perhaps the approval of the minutes should be placed on a consent calendar?
