## **AES property is not zoned as "industrial"**

A docketed comment (Docket Number: 12-AFC-03

Project Title: Redondo Beach Energy Project

TN #: 204063) has claimed the AES property is Redondo Beach "is still classified as INDUSTRIAL ZONING." This is incorrect. It is currently zoned as Generating Plant, with park or public utility designation only. Ongoing confusion among pro-Measure B supporters has resulted in an avalanche of misinformation which is ongoing post-election. Zoning map submitted for the record.
