Subject: **REQUEST FOR STATUS REPORT FROM STAFF BY NO LATER THAN MARCH 25, 2020**

During the Committee Status Conference on March 4, 2020, the parties indicated that there are no outstanding discovery requests. Staff indicated it has the information it needs to prepare its environmental assessment of the proposed project. Applicant requested that Staff file its environmental assessment by March 16, 2020, but Staff responded that it needs at least until April 9, 2020 due to conflicting commitments.

In light of the potential impact of the novel coronavirus (COVID-19) on Staff's schedule, I request that Staff file a status report no later than March 25, 2020 that states whether Staff plans to file its environmental assessment of the proposed project by April 9, 2020, and if not, when Staff intends to file its environmental assessment.

If Applicant chooses to respond to Staff's status report, Applicant should do so no later than March 27, 2020.
