STATE OF CALIFORNIA

STATE ENERGY RESOURCES  
CONSERVATION AND DEVELOPMENT COMMISSION

RESOLUTION APPROVING THE CITY OF PACIFICA'S LOCALLY ADOPTED  
BUILDING ENERGY EFFICIENCY STANDARDS, ORDINANCE NO. 852-C.S.

**RESOLUTION:** California Energy Commission (CEC) approval of the City of Pacifica's locally adopted building energy efficiency standards, Ordinance No. 852-C.S., to require greater energy efficiency than the 2019 Building Energy Efficiency Standards (Energy Code), provided in California Code of Regulations, Title 24, Part 6, and associated administrative regulations in Part 1, Chapter 10.

**WHEREAS,** The City of Pacifica adopted Ordinance No. 852-C.S. to establish locally adopted building energy efficiency standards; and

**WHEREAS,** California Code of Regulations, Title 24, Part 1, Sections 10-106 and 10-110, establish a process for local governments to apply to the CEC for a determination that a locally adopted building energy efficiency standard meets the requirements of Public Resources Code Section 25402.1(h)(2); and

**WHEREAS,** The City of Pacifica submitted an application to the CEC for Ordinance No. 852-C.S. that met all of the documentation requirements pursuant to Public Resources Code Section 25402.1(h)(2), and California Code of Regulations, Title 24, Section 10-106(b), on January 15, 2020; and

**WHEREAS,** The City of Pacifica, in its application to the CEC, indicated that it complied with the California Environmental Quality Act (CEQA), codified in California Public Resources Code Section 21000 et seq.; and

**WHEREAS,** CEC staff has analyzed whether the ordinance will require the diminution of energy consumption levels permitted by the 2019 Energy Code, as required by Public Resources Code Section 25402.1(h)(2), and determined that it will do so; and

**WHEREAS,** CEC has considered the City of Pacifica's application, the Executive Director's recommendation, and all comments submitted on the application.

**THEREFORE BE IT RESOLVED**, CEC finds that the City of Pacifica's ordinance will require the diminution of energy consumption levels permitted by the 2019 Energy Code; and

**THEREFORE BE IT FURTHER RESOLVED**, CEC applauds the City of Pacifica for seeking to achieve additional energy demand reductions, energy savings, and other benefits exceeding those of the 2019 Energy Code; and

**THEREFORE BE IT FURTHER RESOLVED**, that on April 8, 2020, CEC approves the City of Pacifica's application to enforce its locally adopted energy standards; and

**THEREFORE BE IT FURTHER RESOLVED**, that CEC directs the Executive Director to take all actions necessary to implement this Resolution.

**CERTIFICATION**

The undersigned Secretariat to the Commission does hereby certify that the foregoing is a full, true, and correct copy of a Resolution duly and regularly adopted at a meeting of the CEC held on April 8, 2020.
