Re: NEMIC Repeated Application for Confidential Designation

Dear Docket Unit:

I write on behalf of the National Energy Management Institute Committee ("NEMIC"), to submit this repeated application for confidential designation of certain specified attachments to NEMIC's Amendment to its Application to become a Mechanical Acceptance Test Technician Certification Provider under California Code of Regulations ("CCR"), Title 24, Part 6, § 10-103.2 (f) ("Amended Mechanical ATTCP Application"). These documents are submitted under Docket 13-ATTCP-01.

On November 26, 2013, the Executive Director of the California Energy Commission granted confidential status to the following Attachments to the 2013 NEMIC Mechanical ATTCP Application: Attachments 1.5, 2.2, 2.3, 3.2, 3.3, 3.4, 6.3, 9.1, 9.2, 9.3, 9.4, 9.5, 9.6, 9.7, 9.8 and 9.9. The California Energy Commission has granted confidential designation for amended portions of NEMIC's ATTCP Application on April 21, 2014, June 14, 2016, and July 12, 2018. The 2019 Amended Mechanical ATTCP Application includes updates to the following Attachments:

- Attachment 2.2 Mechanical Acceptance Test Employer Training Materials
- Attachment 2.3 Mechanical Acceptance Test Employer Certification Exam
- Attachment 3.2 Mechanical Acceptance Test Technician Training Materials
- Attachment 3.4 Mechanical Acceptance Test Technician Certification Exam

The information contained in these amended appendices is substantially similar to the previously submitted information and all facts and circumstances relevant for confidentiality remain unchanged.

Following the e-filing of this application to Docket 13-ATTCP-01 will be a separate confidential e-filing to Docket 13-ATTCP-01 containing the above attachments. Under a separate e-filing, we will concurrently submit the non-confidential portions of the NEMIC ATTCP Application.

Please contact me right away if there is any confusion over which portions of the document are to be confidential.

I certify under penalty of perjury under the laws of California that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.

Sincerely,

David Bernett
NEMIC ATTCP Administrator
