BESTFIT INNOVATIVE CHARGING
SOLUTIONSDocket No. [19-TRAN-02](#)NOTICE OF STAFF SOLICITATION
SCOPING WORKSHOPRE: [BESTFIT Innovative Charging
Solutions](#)

Notice of Staff Workshop

California Energy Commission (CEC) staff will host a remote-access scoping workshop to solicit feedback on a draft concept for the BESTFIT Innovative Charging Solutions solicitation.

Staff has released a “Draft Solicitation Concept” document, which details the concept under consideration for a competitive grant solicitation to be issued by the CEC’s Clean Transportation Program. The solicitation is dubbed Built-Environment Electrification Solutions & Form Factors for Fitting Infrastructure to Transportation (BESTFIT) Innovative Charging Solutions. It will fund projects for transformative technology solutions for electric vehicle (EV) charging for both light-duty and medium- and heavy-duty (MD/HD) applications. The purpose of this solicitation is to demonstrate new technologies or business models that highlight innovative charging solutions and form factors that are the “best fit” for the local built environment, use case, and vehicle.

Please refer to the CEC’s docket log for [19-TRAN-02](#) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=19-TRAN-02> for the draft solicitation concept document. Commissioners from the CEC may attend, but no votes will be taken.

The workshop will be held remotely, consistent with Executive Orders N-25-20 and N-29-20 and the recommendations from the California Department of Public Health to encourage physical distancing to slow the spread of COVID-19. The public can participate and observe the workshop consistent with the direction in these Executive Orders. Instructions for remote participation are below.

May 12, 2020

1:00 p.m. to 4:00 p.m.

Remote Access Only

Remote access is available by computer or phone via [WebEx](#).™
For details, go to the [CEC WebEx page](#) at <https://energy.webex.com/>.

Agenda

1. Introductions
2. BESTFIT Innovative Charging Solutions Overview
 - BESTFIT solicitation concept and background
 - Proposed funding
 - Proposed eligibility
 - Proposed project requirements
 - Proposed evaluation process and criteria
 - Proposed schedule
3. Questions and discussion

Background

Assembly Bill 118 (Núñez, Chapter 750, Statutes of 2007), created the Clean Transportation Program (formerly known as the Alternative and Renewable Fuels and Vehicle Technology Program). The statute authorizes the CEC to develop and deploy alternative and renewable fuels and advanced transportation technologies to help attain the state's climate change and clean air goals. Assembly Bill 8 (Perea, Chapter 401, Statutes of 2013) reauthorized the funding program through January 1, 2024.

Staff is developing a grant funding opportunity (GFO) solicitation that will provide \$7.5 million from the Clean Transportation Program funds for BESTFIT innovative charging solutions. The goal of BESTFIT is to find unique, innovative charging solutions and form factors that are the “best fit” for the local built environment, use case, and vehicle, when compared to traditional charging solutions. BESTFIT will fund projects in both the light-duty and MD/HD sectors.

Public Comment

Oral Comments:

Staff will accept oral comments at the end of the workshop. Public comments may be limited to [three](#) minutes or less per speaker and [one](#) person per organization. If participating via WebEx, use the “raise hand feature” so the administrator can introduce you and unmute your microphone.

Written comments.

Written comments must be submitted to the Docket Unit by **5:00 p.m. on [May 26, 2020](#)**.

Written and oral comments, attachments, and associated contact information (including address, phone number, email address) will become part of the public record of this proceeding with access available via any internet search engine.

The CEC encourages use of its electronic commenting system.

Visit the CEC's [e-filing system](#) at

<https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=19-TRAN-02>, which links to the comment page for this docket. Enter your contact information and a comment title describing the subject of your comment(s). Comments may be included in the “Comment Text” box or attached as

a downloadable, searchable document in Microsoft® Word (.doc, .docx) or Adobe® Acrobat® (.pdf) file. The maximum file size allowed is 10 MB.

Written comments may also be submitted by email. Include docket number [19-TRAN-02](#) and “BESTFIT Innovative Charging Solutions” in the subject line and email to docket@energy.ca.gov.

Public Advisor and Other Commission Contacts

The CEC’s Public Advisor’s Office provides the public with assistance in participating in CEC proceedings. For information on how to participate in this proceeding, or to request language services or other reasonable accommodations, please contact Public Advisor, Noemí O. Gallardo, at publicadvisor@energy.ca.gov, by phone at (916) 654-4489 or toll free at (800) 822-6228. Requests for language services and reasonable accommodations should be made at least five days in advance. The CEC will work diligently to accommodate late requests.

WebEx: If you experience difficulties with the WebEx system, please contact the Public Advisor’s Office via email or phone. (Contact information above.)

Media inquiries should be directed to the Media and Public Communications Office at mediaoffice@energy.ca.gov or (916) 654-4989.

Questions on the subject matter of this meeting, should be directed to [Matt Alexander](#) at matt.alexander@energy.ca.gov or (916) 654-4466.

Remote Attendance

WebEx is the CEC's online meeting service. When attending remotely, presentations will appear on your computer/laptop/mobile device screen, and audio may be heard via the device or telephone. Please be aware that the WebEx meeting will be recorded. WebEx technical support is available at 1-866-229-3239, or you may contact the CEC’s Public Advisor’s Office at publicadvisor@energy.ca.gov, or 800-822-6228.

Via Computer:

Go to the [CEC WebEx page](#) at <https://energy.webex.com/ec>. If this event is listed, click “Join.” If not, click “Unlisted Events” on the left of the screen and enter event number **920 622 046**. When prompted, enter your name and email address. The event password is **meeting@1**.

The “Join Conference” menu will offer you a choice of audio connections:

1. To call into the meeting, select "I will call in" and follow the on-screen directions.
2. International attendees, select "Global call-in number."
3. To have WebEx call you, enter your phone number and click “Call Me.”
4. For Internet audio: If you have a broadband connection, a headset, or a computer microphone and speakers, you may use VoIP (Internet audio). Go to the audio menu and click “Use Computer Headset,” then “Call Using Computer.”

Via Telephone Only:

Dial 1-866-469-3239 (toll-free in the U.S. and Canada) and when prompted, enter event number **920 622 046**. International callers may select a number from the [WebEx International Call Number List](https://energy.webex.com/energy/globalcallin.php) at <https://energy.webex.com/energy/globalcallin.php>.

Via Mobile Device:

Download the application from the [WebEx Mobile site](http://www.webex.com/products/web-conferencing/mobile.html), www.webex.com/products/web-conferencing/mobile.html.

Availability of Documents

Documents and presentations for this meeting will be available at the CEC's Docket Log for [19-TRAN-02](https://efiling.energy.ca.gov/Lists/DocketLog.aspx?doctokenumber=19-TRAN-02) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?doctokenumber=19-TRAN-02> and on the Clean Transportation Program's [Workshops and Notices](https://ww2.energy.ca.gov/altfuels/notices/) page at <https://ww2.energy.ca.gov/altfuels/notices/>.
