Dear Commissioners:

I am writing to ask that you support extending the deadlines for the Proposition 39 school energy efficiency projects.

We had planned to complete all projects by June 30, 2020, but with offices shut down, retention releases are coming in later than usual. In addition, we are unable to get photos of installed equipment at all sites since they are shut down during the Shelter-in-Place.

Thank you for your understanding.

Nik Kaestner
